OLD WORLD DME, Inc.

You Deserve Your Durable Medical Equipment and Prescriptions to be Expedited to Your Home!

“Old World DME, Inc.” began making strides in 2006 to utilize 6-Sigma Black Belt practices to implement policies and processes within our organization that will provide your patients with the same 24/7 support that has been engrained into owner, Bill Cooper, M.B.A., through 25 years as a globally known Quality Systems Professional.

We will make certain that you are not kept waiting for your products!

Supplier by both Medicare and BCBSM, supporting numerous doctors and patient facilities that has resulted in a significant list of long-term satisfied patient clients!

We promise to make absolutely certain that each and every one of our patient clients is serviced in the same expedited manner that is compassionate, respectful, and professional!

Sincerely,

Bill L. Cooper, M.B.A.

Old World DME, Inc.

Why choose Old World DME, Inc.?

Caring about all our patient clients is all about compassion, and life's struggles have made Old World DME, Inc. have passion for caring. Our primary focus is to get prescribed Durable Medical Equipment (DME) and prescriptions to you the same day we receive your orders. Your comfort is our number one goal!

How efficient is Old World DME, Inc.?

1. Patients' prescriptions with applicable diagnosis are faxed to Old World DME, Inc. at (248) 671-0922
2. We receive your fax via email within seconds
3. We confirm your insurance immediately
4. We contact you to schedule delivery
5. Products are immediately pulled from inventory or ordered locally to be delivered by experienced DME professionals that same day or within 24 hours!
6. If requested, we notify your doctor's office that DME and/or prescriptions have been delivered to patients!
7. On-going regular deliveries are scheduled in advance
8. Applicable equipment follow-ups are made with you and documented

Your faxed orders are received electronically via email so that we have instant access via PC or mobile phone email to get DME/Meds to you faster!
